

DUTCHMEN CHRONICLE

THE DUTCHMEN CHRONICLE is published quarterly by Annville Cleona Alumni Assn. (ACAA), PO Box 86, Annville, PA 17003

EDITOR CORNER...

If you are receiving this issue of the AC Alumni Association (ACAA) newsletter for the first time – WELCOME! This is your organization. The purpose is to act as a repository for all individuals who attended the A-C schools at one time. We gather the information from the individual(s) responsible for maintaining respective class lists, or from the Dutchmen Foundation. We are currently working on the 80s classes or any one interested in later classes.

We hold a banquet annually (pandemic permitting) the second Friday of June preceding Historic Old Annville Day; award a scholarship for exemplary community service to one or two deserving graduating seniors depending upon the monies available; and award recognition to an alumnus/alumna of the year. (See included nomination form—you can nominate yourself.)

These are no dues. Our primary fundraiser is through Hoss's Nights three times a year (See included coupons); and we also rely on volunteer contributions.

This is your organization and we hope you will become involved. We are in dire need of younger individuals to serve as officers and committee chairs to carry on the work of the organization, and interject some new ideas. Please see the meeting schedule on the last page and do not hesitate to attend.

ANNVILLE FREE LIBRARY - AWARDED A KEYSTONE GRANT FOR PUBLIC LIBRARY FACILITIES!

In March the Anville Free Library was awarded a \$750,000 Grant from the Office of Commonwealth Libraries, Bureau of Library Development, Pennsylvania Department of Education, for public library facilities with funds provided from the Keystone Recreation, Park, and Conservation Fund which is funded from a portion of realty transfer taxes. Now you know why most call it a Keystone Grant for Public Libraries. As you can imagine, we are pleased to be awarded this grant for the library expansion project. Everyone involved deserves thanks for working to make this happen.

We were all set to apply for this grant in March 2020 when COVID struck, and we decided to postpone until the next cycle, which wasn't until October 2021. This gave us time to review our grant application many, many times before submitting it to the State, through a new electronic eGrants process instead of copying, packing, and mailing the previously required six application documents, one for each official committee reader.

With this grant and the required matching funds raised through our capital campaign program, we will construct the addition linking the existing library at 216 E Main Street in the Anville Historic District to the adjacent library-owned duplex structure at 226-228 E Main St. We have also raised enough money to renovate the interior and exterior of the duplex starting a few months after the addition begins construction.

Our current work includes finishing the construction drawings, making numerous detailed decisions on materials, and preparing the bid spec documents. As soon as we have required grant paperwork finished, the request for bids will be sent. Then it's time to review the proposals from contractors, sign contracts, and start work this summer on the addition and the duplex. During project construction, the library will be open for business, though we expect some short periods of closure.

With this exciting beginning under construction this summer, we look ahead to the next steps to ready our community library for the future. We want to be able to renovate and upgrade the existing library building and will need funds for this last phase of the expansion project. You can help us to finish Writing the Next Chapter for the Anville Free Library by making a donation today at <https://writingthenextchapter.org/donate/>. Your support will boost us to the finish line!
